

WADEM Donation Form

Your contributions will help WADEM continue financing its work of advancing and disseminating the science of disaster and emergency health. You will help us by providing resources for the Michael Moles Fellowship Fund to award future fellowships for promising applicants interested in pursuing a career in disaster and emergency health; development of new WADEM educational products such as the ***International Disaster Nursing*** textbook and ***Health Disaster Management: Guidelines for Evaluation and Research, Volume Two***; expansion of the various WADEM Task Forces, Sections, and Chapters; and a means to keep WADEM membership dues affordable for our colleagues from resource-poor countries.

As a 501(c)(3) non-profit organization, all donations to WADEM are tax-deductible as permitted by US tax law.
